

NIELSEN AD INTEL INTERNATIONAL GLOBAL COVERAGE

In a world of information overload, Nielsen Ad Intel International provide clarity on global competitor advertising activity. We provide information for over 90 markets worldwide through a combination of Nielsen Ad Intel data and 3rd party partners to deliver a truly global view.

We capture, organize and analyse advertising spend, creative, social media activity and online reaction around the world, providing clients with the visibility they require to be ahead of the game in a competitive market and give our clients greater confidence to develop successful communication strategies.
